Features:

Support WiFi, which is portable, convenient and can get rid of the constraint of wires

Operation system: Android, Windows which fit for many devices

Language: Chinese, English

Hardware requirements: Basic frequency should be over 700MHz, 1G hard disk, CD ROM, 64MB

memory

Sepcifications:

Magnification: 5X - 200X

Type: Wireless

Video Resolution: 640 x 480 Focus Range: 0mm - 40mm

Operation System : Andriod / Windows Power Supply: Built-in Lithium Battery

Color: Blue

Product Weight: 0.867 kg Package Weight: 0.912 kg
