

B306 Digital and programmable hearings support with 8 channels

Specifications:

Mounting range $\leq 90\text{dB}$

1. DDRC compression system. Top Casa Noise Manager System.
2. New 5th Generation Intelligent Multi-modal feedback handing system.
3. Transient loud sound blocking system
4. Wind noise Manager.
5. Iscene detect environmental Analysis system.
6. Intelligent Dynamic Directional transformation (optional).
7. High precision Delville.
8. Speech Enhancer System.
9. Automatic phone switch.
10. Innovation Tech for open ear.
11. Adaptive audio Input System.
12. Real-time Data Tracking & Storage System ILOG 5.0.
13. Intelligent real-time spectrum analysis presentation system.
14. High precision personalised assembly.
15. Intelligent volume learning function.
16. Human energy Saving Tech.
17. Dfunction.
18. Programme.
19. Power-on delay.
20. Low-Power indicator.
21. Personalised warning tone.
