

3-line Cross Laser Level FU-LPT-021

Technical Specification:

Laser wavelength: Laser line=635nm, plumb dot=650nm

Vertical precision: 5m \pm 1mm

Level precision: 5m \pm 1mm

Automatic correction range: \pm 3C Degree More than range flash

Vertical point precision: \pm 1mm/3m

Linewidth: 2mm/5m

Power: AA batteries 3 pcs

Continuous work time: About 14 hours (All light when using)

Weight: instrument about 1.58kg (Contain battery)
