

### **3-line Cross Laser Level FU-LPT-021**

#### **Technical Specification:**

Laser wavelength: Laser line=635nm, plumb dot=650nm

Vertical precision: 5m  $\pm$ 1mm

Level precision: 5m  $\pm$ 1mm

Automatic correction range:  $\pm$ 3C Degree More than range flash

Vertical point precision:  $\pm$ 1mm/3m

Linewidth: 2mm/5m

Power: AA batteries 3 pcs

Continous work time: About 14 hours ( All light when using)

Weight: instrument about 1.58kg ( Contain battery)
