

## DT-II

DT-II is a high-precision digital multimeter with a wide range of functions and high accuracy.

### Features

- True RMS measurement for AC voltage and current
- LED backlight display
- 2-point calibration
- A / C auto selection
- Auto power off

### Specifications

- DC 4.5V AAA battery, NI-MH battery, AC 110V-240V, DC 4.2V
- 2500 counts
- 2-point calibration
- 18°C to 30°C
- 173x42x22mm

### Dimensions

- 213x82.5x42mm
- 60g
- 205mm
