

3 in 1 Folding pH Meter KL0101.digital ph meter with 0-14 range

Key Features:

Folding design feature to use expediently

Replaceable pH electrode

Clear LCD display featuring both pH, temperature and humidity

The KL-0101 offers increased accuracy when measuring solutions at different temperatures as it automatically measures the temperature and compensates the pH reading accordingly.

Measuring range:

pH: 0.00 ~ 14.00

C: -5 ~ 50C (Environment)

RH: 10% ~ 99%RH (Environment)

Resolution: pH: 0.01PH; C: 0.1C; RH: 1%RH

Accuracy PH ± 0.1 PH; C: ± 1 C; RH ± 5 %RH

Automatic Temperature Compensation: 0°C~50C

Power Supply:4×1.5V(AG-13 Button Battery)

Operating Temperature: 0C~50C

Dimension:156mm×55mm×23mm

Weight: 95g
