

Digital Programmable, vier kanalen

bestek

1. Dual-core technologie
2. Dynamic Digital Cochlear compressie (SLFAC)
3. Full-band Adaptive Noise Reduction (9dB)
4. Intelligente Feedback Cancellation
5. 4 Volledig Digital & programmeerbare Technology
6. Adaptieve directionele microfoon (optioneel)
7. MPO Controle
8. Receiver in Canal (RIC) Technologie
9. Interne Microphone Noise Reduction
10. 4 Memories
11. Memory Switch en Low Battery Indicator
12. Multifunctionele Indicator Tone
