

General Description

1. This Temperature & Humidity Meter is characterized at:
2. Large- LCD display
3. Multi-function
4. Low power consumption
5. High stability & accuracy

Features

1. Display temperature, humidity and time simultaneously
2. Memory of MAX & MIN measuring value
3. 12-hour/24-hour displaying system selectable
4. °C/°F unit selectable
5. integral-hour alarm function
6. Alarm function
7. Clock & calendar function (month and date)
8. Desk - top placing or wall hanging

Specification

1. Temperature range: -50~70°C (-58~158°F)
2. Humidify range: 10%~99%RH
3. Resolution: Temp: 0.1°C(0.1°F) / Humidity: 1%RH
4. Accuracy: $\pm 1.0^{\circ}\text{C}(1.8^{\circ}\text{F})$ / $\pm 5\%$ RH (40%-80%)
5. Power supply: 1.5V(AAA size) x 1
6. Storage condition: -20°C~60°C, 20~80%RH
