

CE, FDA Approval programmable Digital Hearing aid EP05

Specifications

- 1) Wide Dynamic Range Compression (WDRC)
- 2) Open DSP Platform
- 3) 2 Channels & 10 Bands
- 4) 2 Memories (optional external VC)
- 5) Acoustic Feedback Cancellation
- 6) Microphone Noise Suppression
- 7) Scientific Algorithm Fitting
- 8) HI-FI Signal Processing Technology
- 9) Maximum Power Output (MPO) Control
- 10) Memory Switch Indicator
- 11) Low Battery Indicator
- 12) Super Power Available for Severe to Profound Hearing Loss
- 13) "Telecoil Input (Optional)
- 14) Available in : BTE , InstantFit CIC, ITE, HSE, ITC, CIC
