Specifications

Laser wavelength: Laser line=635nm, plumb dot=650nm

Vertical precision: 5m ±1mm Level precision: 5m ±1mm

Automatic correction range: ±3C Degree More than range flash

Level lauch angle 130

lauch angle 155

precision: ±1mm/3m Linewidth: 2mm/5m Power: AA batteries 3 pcs

Continous work time: About 14 hours (All light when using)

Weight: instrument about 1.58kg (Contain battery)
