

Water Quality TDS Meter KL-139

TDS meter, portable tds meter, digital tds meter, pen type tds meter, water tds meter, ph tds meter, tds meter tester, tds meter ppm

Applicatons

Pocket sized and feather-weight for portable use in a large number of applications including Production and drinking of pure water,Cleanness of swimming pool water,Food processing,Hospitals and medical products,Aquatic cultivation,Boiler water,Households and offices,Aquarium water,Teaching of physics and chemistry,Electroplating water,Cooling towers,Laboratories,Ionized water and water quality testing etc.

Product description

- 1.Measuring range:0-1999 PPm(mg/L)
- 2.Resolution: 1 PPm(mg/L)
- 3.Accuracy: $\pm 2\%$ F.S
- 4.Operating Temperature: 0°C- 50°C
- 5.Power Supply: 2×3V(CR2032 Battery)
- 6.Environment: Humidity: $\leq 95\%$
- 7.Display:4-digital LCD
